Welcome to Uxbridge FC

Good evening, tonight we welcome the players, officials and supporters of Southall FC for this Middlesex Charity Cup Quarter Final match. We also welcome our officials, Referee Joe Alborough & Assistants Nima Hosseinali & Richard Coker. We trust that you will enjoy your stay, and we wish you all a safe journey home afterwards.

Southall of course ply their trade with us in the Isthmian League South Central Division – and in fact it's only been just under 2 weeks since we met at Burnham on Boxing Day – a hard-fought tight affair that saw us run out 1-0 winners, thanks to George Moore's second half goal – we will be expecting a similarly tough test this evening. Southall are currently sitting in 13th place, which they will no doubt be disappointed with after making the playoffs last season. The "all" in fact are currently on a run of just one win in six – so will be looking to improve on that tonight.

Both teams are making their debuts in the Charity Cup this evening, and with only 3 matches to win the competition will both fancy their chances of lifting the trophy – as we are also current holders, we would love to defend the trophy as well. Our last match was on New Years Day, when we were held 1-1 by Harrow Borough - a full match report can be found in tonight's programme. The result means we have taken 10 points from a possible 12 over the festive period – and can look forward to 2025 with some optimism. Sadly, our scheduled match last Saturday at Sutton Common Rovers fell foul of the icy weather at the weekend, so that will be rearranged to a later date – currently TBC.

Next Saturday, we travel to Leatherhead – a ground where we don't have the best of records, so that will be a tough test and the face a tricky looking midweek trip to Portsmouth next Tuesday 14th January to take on Moneyfields in a re-arranged game. If you are able to make it to either match, it would be great to see you there. The next match here at Honeycroft will be on Saturday 18th January when Raynes Park Vale are the visitors

Enjoy the match

Match Report

Wednesday 1st January
Uxbridge 1-1 Harrow Borough

Points Shared as Reds Fight Back

Uxbridge entered the New Year Day encounter with Middlesex rivals Harrow Borough in the league for the first time since 1975. Uxbridge were looking to avenge a 3-0 defeat on Bank Holiday Monday in August but on a good run of form accumulating 25 points from 10 games with Harrow Borough only picking up a surprising 10 points. The Reds made 3 changes from Saturday's wonderful win over Kingstonian, captain CJ Fearn and fellow centre half Luke Paris injured, and Leo Decabo dropped to the bench in place of Casey Bocarro, the returning James Taylor and new signing Harry Rush from Chesham, who was the Hanwell skipper when they were promoted a few years ago via the playoffs....

The game started off slowly and it took 8 minutes for a first shot on target by either team, this from the inform George Moore but it was tame from the edge of the box. 21 minutes elapsed when Stephan Langley, the Harrow centre half, was booked for lunge on Fabio Sole on the left-hand side by the away team dugout who had no complaints with the card. The resulting free kick did not come to fruition. With 40 minutes played, the best moment of the half so far happened when Moore chipped the ball on the half way line over 2 defenders with the ever-willing Josh Addae running into it but his cross shot evaded both the far post and Ada Okorogheye. With one minute to go and Harrow having not had a shot on goal, new signing Harry Rush lost the ball near the centre circle and a through ball found 16-year-old Ridwan Hassan - on loan from QPR - one on one with Uxbridge stand in skipper George Legg and showed composure beyond his years finishing calmly. With 2 minutes injury time show , Bailey Lamb committed a 2 footed challenge in front of the Uxbridge dugout, the Assistant Referee giving a free kick but no resulting card, yellow or red, maybe the ref gave enough cards out at Christmas! The resulting free kick was launched into the area to James Taylor who headed wide.

HT 0-1

Leo Decabo replaced Fabio Sole at half time and immediately had a positive influence on the game. However, 6 minutes into the half, Harrow broke through but a 'professional foul' by James Taylor saw a Harrow striker stopped in his tracks on the edge of the area to ensure Legg in the Uxbridge goal had only faced one shot on goal! The resulting free kick came to nothing. 2 minutes later, Ada set up George Moore with a pin point through ball and with Moore 25 yards from goal, carried the ball forward and expertly tucked the ball between Dan Hosier legs for his 20th goal of this campaign and his 20th in 24 games. Moore being the first striker since Antony Mendy in the 2021-2022 season to net 20 goals for the reds! A minute later, the ever-influential Decabo beat 2 men but failed to spot the runs of Ada and Moore and went alone into the box but was tackled in the box. Harrow quickly lost the ball, and Casey fizzed a cross across the box, but nobody was there! In the 58th minute, the reds of Uxbridge thought they had the lead when Addae header at the back post found Moore who rifled home, but the Assistant Referee ruled that Addae was offside, correctly in my humble opinion. 3 minutes later, Ada thought he had scored but again the Assistant Referee had other ideas as the goal was ruled out - from a short corner routine where Bocarro delivered an out swinger and - Ada beat the keeper to head home. This one was tighter. VAR might have given it a goal but I'm glad it's not involved in this this level of football as it will spoil the enjoyment! 66 minutes elapsed when Addae had a shot blocked and Toby Nnadozie- still searching for his first goal - had a goal bound effort deflected over the bar. Harrow had their first corner of the game in the 68th minute, which showed Uxbridge dominance in this encounter. In the 77th minute, Uxbridge had their 10th corner of the game which game to nothing but a minute and from another corner a clearance found Moore in space and his bullet of a shot was well saved by Dan Hosier deputising for the suspended Andrew McCorkell. Harrow waited until 87 minutes for their 2nd corner, but it was their 3rd in the 92nd minute when 16-year-old Hassan had a free header which he put wide which would have given Harrow an undeserved victory. There was still time for Lamb to escape a second yellow card when blocking a Legg kick from his hands with the referee blowing for full time when the ball reached the half way line.

10 points from 4 games over the Christmas period against teams 9th or above is good going and puts us in 4th place going into 2025!

THERE are certain Christmas traditions that just can't be messed with. Santa Claus, roast turkey and then a rather depressing episode of *EastEnders*, it's what makes the festive period so enriching. But for us Non-League fans, the most treasured tradition of them all falls amidst sore heads on Boxing Day – the good old fashioned local derby.

Sadly, it's a trait lost on the EFL these days it seems. This year, Plymouth Argyle fans were handed a 412-mile round trip to Coventry Cup in the Championship, while Crewe Alexandra embarked on a four-hour round trip to Cheltenham in League Two. Luckily for us, scheduling local derbies is something the Non-League fixture secretaries do pretty well – and once again this year the fans gave their vote of approval.

Right across the board, attendances for the Boxing Day games were as high as ever, giving home clubs, at all levels of the game, a nice little Christmas bonus to add to the coffers.

In the National League, a crowd of 8,048 crammed into Roots Hall for Southend United's visit of Ebbsfleet United, while 5,412 watched the crunch clash between Aldershot Town and Woking at the EBB Stadium and 4,355 saw the game between Yeovil Town and Eastleigh. And all this is without the top-of-the-table clash between big guns Oldham Athletic and York City, postponed due to heavy fog. That had the potential of bringing in a five-figure crowd to Boundary Park.

In National League North, Hereford recorded a club record crowd of 4,925 for the visit of local rivals and league leaders Kidderminster Harriers, while Darlington (2,419) and Marine (2,149) also announced figures of 2000+ for their matches against Scarborough Athletic and Chester respectively.

And National League South was no different with four clubs recording 2,000+: Tonbridge Angels for their Kent derby with Maidstone United, Dorking Wanderers for the visit of Worthing, Truro City for their top-of-the-table clash with Weston-super-Mare and Weymouth, with leaders Torquay United in town. Perhaps unsurprisingly, Macclesfield topped the figures for Step 3 with Robbie Savage's NPL Premier leaders reeling in 4,181 at Moss Rose for their visit of Leek Town, which ironically resulted in their first home defeat of the season. In fact, in the NPL Premier alone, a total of 12,525 attended the 10 Boxing Day games, at an average of 1,252. That, for the seventh tier of English football, is phenomenal. Elsewhere at Step 3, Dulwich Hamlet, no strangers to pulling in the crowds, recorded 2,883 for their 1-0 win over Carshalton Athletic, while AFC Telford United led the 4 Southern League figures with 2,047 for their ding-dong with Halesowen Town.

Step 4 was equally as impressive. A crowd of 2,503 saw ambitious Hednesford Town take on Stafford Rangers in the game dubbed *El Staffico*, while the Kent derby between Margate and Ramsgate at Hartsdown Park was a 2,500 sell-out with many more left disappointed. Stalybridge Celtic showed their capacity with 2,015 for their game with Mossley while the first ever *El Civico* derby at Step 4, between Wythenshawe FC and Wythenshawe Town reeled in a healthy four-figure crowd with Town coming out of top, 2-0. And where else in the world would you get a 10th-tier match reeling in a crowd of nearly 6,000? A clash of the North West Counties League top two between Bury and Ramsbottom United attracted a whopping 5,834 supporters at Gigg Lane to watch an entertaining 2-2 draw. It usurped the 5,451 attendance for Bury's home match with Glossop North End in July 2023, but the ex-EFL club still have a way to go to top the league's overall record, one that was set at Gigg Lane back in 2006 when 6,023 watched FC United of Manchester lose 1-0 to Great Harwood Town in Division Two – the league's Step 6 division at that time.

The loyal Bury fans were at it again on Saturday, topping the Non-League attendances with 3,843 witnessing their 5-2 win over Prestwich Heys, while Chatham Town recorded an attendance of 2,011 at the Bauvill Stadium for their visit of Bowers & Pitsea. And Southern League clubs also showed the strength of football at Step with Premier South leaders Merthyr Town bringing in 1,679 through the turnstiles for their top-of-the-table clash with Walton & Hersham, Stratford Town 1,664 for their Premier Central game with leaders Kettering Town and AFC Totton 1,594 against south coast rivals Poole Town. Up and down the country, clubs set records as fans turned up in their droves to prove Non-League football continues to thrive.

It was the perfect finale to a rip-roaring 2024 and raised the bat yet further for 2025. With your support, the good old local derby will be a permanent festive fixture for many more years to come.

Happy New Year to one and all.

Uxbridge FC Club History

In the late 19th century, the game of "football" was growing in popularity and on the 3rd of February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr. William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel.

Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC. The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874, but they were in financial difficulties and folded later that year.

The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final.

The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition, and they had to win eight ties before meeting Middlesborough in the final at Crystal Palace. Unfortunately, their Northeast rivals proved too strong for them on the day and ran out 2-0 winners.

During this successful period for the club, they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs, and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920.

A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937. The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3.

Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit. Championship celebrations, however, were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow.

Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War. During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town.

Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr. W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963, and the club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warmup for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0. The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

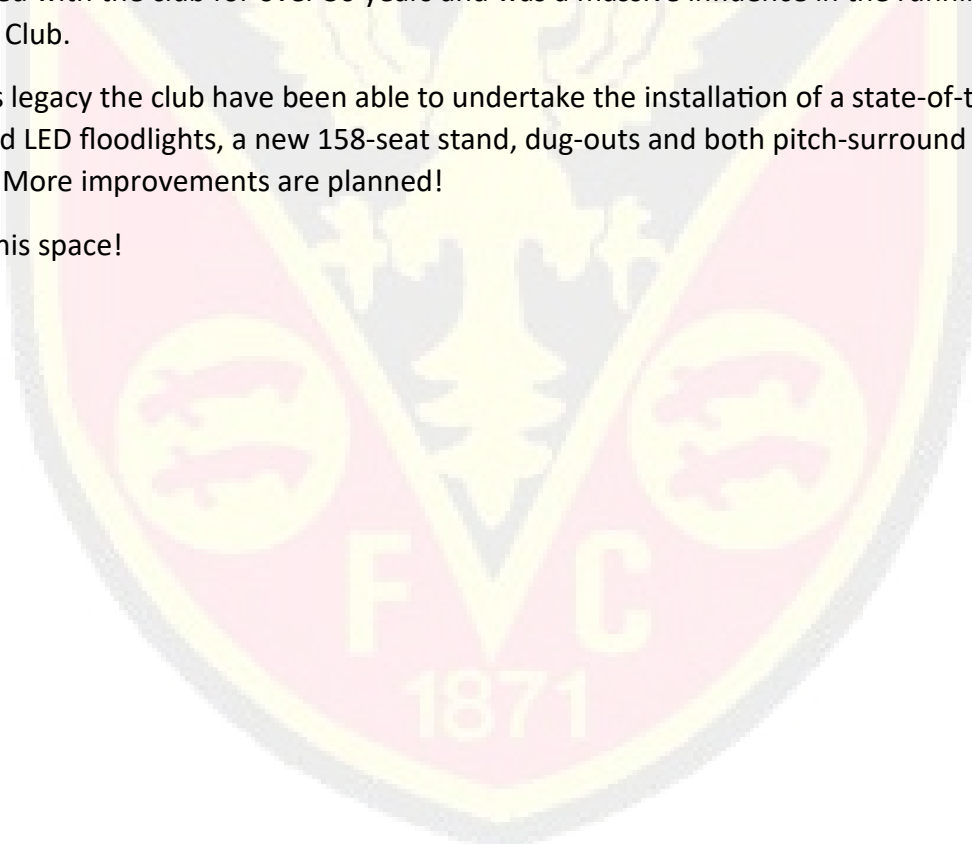

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions. In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South-Central Division.

In 2019 Uxbridge appointed only their sixth manager in over fifty years. Ron Clack was in charge for 18 years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019. Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's. The Middlesex Charty Cup was won for the 8th time in 2022, with a 2-0 victory over Hanwell Town. This feat was repeated last season when North Greenford United were defeated 2-1 in the final at Bedfont Sports.

In recent times the club has mourned the passing of several club stalwarts. President Alan Odell, who had been associated with The Reds for eighty years, in 2016. Chairman Alan Holloway in 2021 and the club's long-standing Treasurer, David Tucker, passed away in 2022. "Mr. Uxbridge" had been associated with the club for over 50 years and was a massive influence in the running of Uxbridge Football Club.

From his legacy the club have been able to undertake the installation of a state-of-the-art 3G pitch, upgraded LED floodlights, a new 158-seat stand, dug-outs and both pitch-surround and perimeter fencing. More improvements are planned!

Southall FC Club History

Southall Football Club is one of the oldest clubs in the South East of England having been founded in March 1871, their first match being a 1-0 defeat against local neighbours Uxbridge played at Southall Park on October 21st, 1871. Southall quickly established themselves as a major club locally and entered the FA Cup in the 3rd year of the competition. Uxbridge remained their main local rivals during the first few decades since the founding of both clubs in 1871. Southall joined the prestigious Southern League for the 1896-97 season, during which time they regularly played the likes of Brentford, Fulham, Watford, Brighton & Hove Albion and Wycombe Wanderers. Southall used several grounds in the town before finally settling in at their Western Road ground in 1906, after merging with Southall Athletic FC. Western Road remained their home until the early 1990's.

The most successful period for the club was between the 1920's up to the 1960's, when crowds numbering in the thousands regularly attended, especially for games against local rivals such as Hayes, Hounslow and Uxbridge and the club produced several Amateur Internationals and players that went on to join professional clubs during this period. For the big away games and important cup ties away from home coaches and trains were often chartered for the locals to follow the club's exploits.

In 1925 Southall reached the Final of the FA Amateur Cup, when they narrowly lost to Clapton 2-1 at Millwall FC in front of over 25,000 spectators and won the Athenian League title in 1926-27. Another momentous season occurred in 1935-36 when Southall recorded 17 consecutive cup victories in various competitions. During this season they became the first non-league club to start in the FA Cup Extra Preliminary Round and reach the 3rd Round Proper before finally losing to Third Division South professionals Watford in front of Western Road's record gate of 19,094. They also beat Third Division South club Swindon Town at home 3-1 in the FA Cup 1st Round. Their cup exploits that season meant that they had to play 23 matches between 1st April and 2nd May, which included 2 games on the same day twice!

The club were forced to take the decision to sell their ground to the local Council in 1940 due to financial pressures during World War II and became tenants of the Council for the rest of that ground's existence. Southall have also played big Amateur Cup matches at Stamford Bridge, Highbury & Craven Cottage, all in front of over 20,000 fans. The club's last big cup day out was for the 1986 FA Vase Final at Wembley. In the 1970's and 1980's future full England Internationals Gordon Hill, Alan Devonshire, and Les Ferdinand played for Southall in their younger days.

Western Road was the arguably finest non-league ground in the area, regularly being selected to host finals and semi-finals of local and county cup competitions. It had a fine clubhouse, which regularly held many social events and was hired out by local clubs and societies as well as regularly being a venue for local bands to play at. Unfortunately, Ealing Council closed Western Road in the early 1990's and eventually awarded the replacement site to a breakaway club, which folded soon after. Southall FC has been forced to share grounds since this time but are hopeful of finding a suitable site back in the town in the near future.

Having been in the doldrums in terms of league performances since the late 1990's, Southall won the Spartan South Midlands League Division 1 title in 2017-18, their first championship for 91 years. This also earned them their 2nd promotion in the 2010's and secured a spot back on the Combined Counties Premier Division. The league reorganisation for the 2021-22 season saw Southall in the Premier Division North. An exciting season was played out with cup runs in the FA Vase (1/4 final), Middlesex Charity Cup (semi-final) and League Cup (finalists), but more importantly the league runners up spot was secured, which heralded promotion back to the Isthmian League.

With 4 promotions in the last 14 years, steady progress has undoubtedly been made since the club suffered back-to-back demotions at the beginning of the century. Negotiations with Ealing Council appear to finally be heading in the right direction and when a new home back in Southall is finally secured all involved with the club are hopeful that Southall can finally get back up towards the top of the non-league pyramid.
