Good afternoon, today we welcome the players, officials and supporters of Ashford Town (Middx), along with our match officials, Referee Jake Hillier and Assistants Andrew Batten & Doug Douglas . We trust that you will enjoy your stay, and we wish you a safe journey home afterwards.

Ashford are making a quick return to Honeycroft, having knocked us out of the FA Cup back in August with a late winner sealing a 2-1 win. Since then, they have only won one game, but that was last up away at Hartley Witney on Tuesday evening – so we will be on our guard to avoid a repeat performance this afternoon.

Last Saturday saw us make progress in the FA Trophy, when we beat visiting AFC Croydon 2-1 – this has resulted in us having another home draw next Saturday 5th October – when Thame United will be the visitors. This does mean our scheduled match against Hayes & Yeading Utd has now been rescheduled for Tuesday 12th November.

Following on from the Thame match we finish up our recent run of home games when we entertain Edgware & Kingsbury in the 1st round of the Middlesex Senior Cup – who we beat on our way to winning the Middlesex Charity Cup last season – so let's hope the omens continue. We then have our first away match for some weeks on 12th October when we make the trip down to Imber Court to play Met Police FC.

Enjoy the Match

By Jon Couch

IT may be the best part of eight months until the players of both Isuzu FA Trophy and FA Vase finals fulfil their childhood dreams and walk out under the arch of Wembley but ask each of every club left in the two premier Non-League competitions and excitement levels are already reaching fever pitch! This week, the FA Trophy third qualifying round draw was made, involving all clubs from Step 3 of the pyramid.

And it was another landmark week in the Vase calendar too with the first round 'proper' was drawn from the hat.

We all love a stat so each week in The NLP, when such draws are made, we join forces with our friends from Factfile, who provide us with all the top stats and trends from the FA Cup, Trophy and Vase ahead of each round. Provided by Phil Annets, author of 'FA Cup 150' short-listed Football Book of the Year 2022, the facts and figures always make for fascinating reading and are readily available on X or other social media streams.

This week, Phil has surpassed himself with his Trophy tales as the Step 4 hopefuls look to continue their road to Wembley against those from a higher level.

Five clubs; Hadley, Littlehampton Town, Flackwell Heath, Horndean and Newton Aycliffe enter third qualifying round territory for the first time, as do the only competition debutants left in the hat, Real Bedford, They travel to Bowers & Pitsea on Saturday. Barton Rovers have got to this stage for the first time in 24 years and Karl Marginson's Trafford for the first time in 22, while Herne Bay will be hoping that victory at Chichester City will take them into the first round for the first time in their 13th campaign.

Congleton Town, who host Hyde United, are eyeing a first round berth for the first time in 27 years. City of Liverpool's reward for registering a record FA Trophy victory (4-0 against Pontefract Collieries in the last round), is a home tie against last season's semi-finalists Macclesfield FC.

The Isuzu FA Vase draw is equally as fascinating after a record-breaking second qualifying round. An incredible 6-6 draw between Aylestone Park and Clay Cross Town is the first such scoreline in FA Vase history, while Chadderton FC's 8-4 win over Retford United is only the third such scoreline.

Cranfield United travel to Tividale for their first ever first round appearance at their 11th attempt, while eight debutant clubs are still left in the competition; Allscott Heath, FC Hartlepool, Foley Meir, Rayleigh Town, Sturminster Newton United, Sutton United (Birmingham), Windsor and Eton and Wombwell Town.

Stonehouse Town, of the Hellenic League, travel to Downton for their first first-round tie in 49 years in the ninth campaign back in the competition.

The biggest winners of last weekend, Daventry Town, will be looking to follow up their 7-0 victory over Rushden & Higham United – a biggest ever in their Vase history - with a win at Highgate United, while Sturminster Newton United and Okehampton Argyle – who both also recorded best ever FA Vase wins in the last round – go head to head to continue their record runs.

While the Trophy continues next Saturday, the Vase takes a break until October 19. But there's no let-up in the action as the 2024-25 gathers pace.

The games are coming thick and fast so check our your NLP or the Factfile streams for the latest facts and figures in the FA Cup, Trophy and Vase.

Stats the way to do it!

UXBRIDGE FC CLUB HISTORY

In the late 19th century, the game of "football" was growing in popularity and on the 3rd February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr. William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel.

Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC. The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874, but they were in financial difficulties and folded later that year.

The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final. The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition, and they had to win eight ties before meeting Middlesbrough in the final at Crystal Palace. Unfortunately, their Northeast rivals proved too strong for them on the day and ran out 2-0 winners. During this successful period for the club, they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs, and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920.

A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937. The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3.

Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit. Championship celebrations, however, were cut short when it was discovered that The Reds had played an ineligible player and were deducted six points, placing them in third position behind Champions Marlow.

Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War. During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town.

Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr. W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963, and the club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warmup for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0. The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

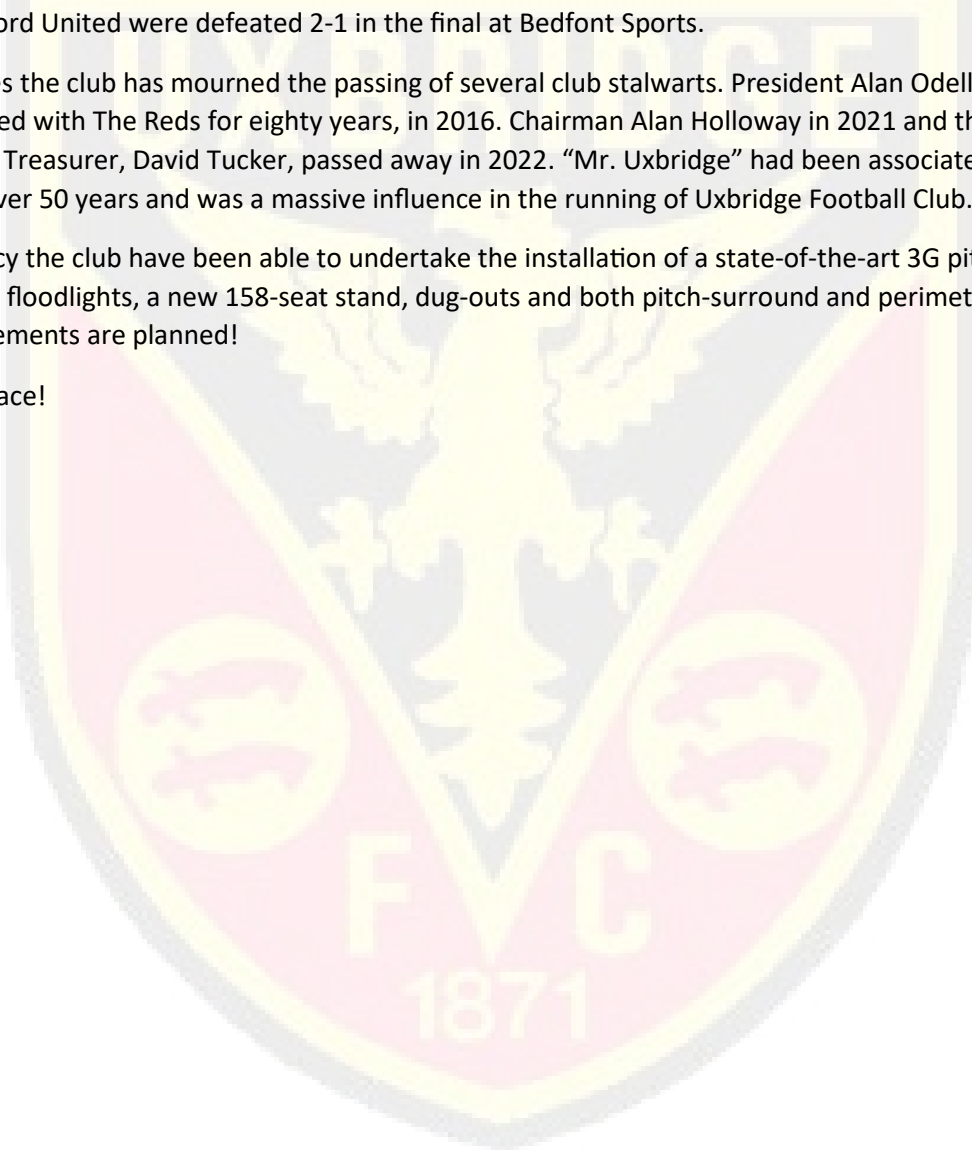

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions. In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South-Central Division.

In 2019 Uxbridge appointed only their sixth manager in over fifty years. Ron Clack was in charge for 18 years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019. Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's. The Middlesex Chairty Cup was won for the 8th time in 2022, with a 2-0 victory over Hanwell Town. This feat was repeated last season when North Greenford United were defeated 2-1 in the final at Bedfont Sports.

In recent times the club has mourned the passing of several club stalwarts. President Alan Odell, who had been associated with The Reds for eighty years, in 2016. Chairman Alan Holloway in 2021 and the club's long-standing Treasurer, David Tucker, passed away in 2022. "Mr. Uxbridge" had been associated with the club for over 50 years and was a massive influence in the running of Uxbridge Football Club.

From his legacy the club have been able to undertake the installation of a state-of-the-art 3G pitch, upgraded LED floodlights, a new 158-seat stand, dug-outs and both pitch-surround and perimeter fencing. More improvements are planned!

Brief History of Ashford Town (Middx)

For many years, it was assumed that Ashford Town Football Club was formed in 1964. However, subsequent research indicated the club was formed in 1958 as Ashford Albion and first competed in the Hounslow & District League. Albion won two consecutive promotions to reach the Premier Division of the Hounslow League and were still competing at this level when the club changed its name to Ashford Town in 1964. It was at this time that the club adopted its distinctive Tangerine & White colours. The club endured a difficult first campaign as the Town club and withdrew from the Premier Division, assuming the Reserve Team's place in Division Two.

Having rebuilt the club with a very young team, Ashford Town rapidly advanced back through the divisions of the Hounslow & District League, absorbing Staines Youth Club FC. on the way. Several individuals from that era have remained with the Club and now form the backbone of the Committee.

The Club was elected to the Surrey Intermediate League (Western) in 1967 and promoted at the end of their first season. The Ash Trees were League Cup finalists in 1970-71 and League runners-up in 1972-73. In 1974-75, Ashford enjoyed their best season under the managership of ex-Fulham player Frank Reid, winning the League by three points from perennial contenders Merrow.

Although the championship eluded the Club in following seasons, it usually finished in the top four and prior to season 1982-83 an invitation was extended by Surrey County FA to become founder members of the Surrey County Premier League. The invitation was readily accepted and Ashford played their first match in the new league on 4 September 1982, drawing 0-0 away to Farleigh Rovers.

Almost from its foundation, the Club had aspirations to acquire its own ground and after one or two disappointments, this was achieved in August 1985, when a long lease was signed with Spelthorne Borough Council, enabling the Club to move to its present home at Short Lane, Stanwell. From what was nothing more than a field, the facilities were quickly developed, with the first match at Short Lane taking place in February 1986, following two postponements for snow.

The Club now possesses a modern clubhouse and bar, kitchen facilities and boardroom. Floodlights were erected in September 1995, whilst the pitch is railed all round and partly walled, with standing covered accommodation, plus a purpose built 150-seater stand, built in 1998. An additional 100 seats were installed on the opposite side of the ground to this stand in 2006, after the club won promotion to the Isthmian League Premier Division.

For both geographical and historical reasons, Ashford affiliate to both Middlesex and Surrey FAs and in 1989-90, their last season as an Intermediate Club, they reached the final of both Counties' Premier Cup competitions, beating Farnham Town in the Surrey version but losing to Willesden Hawkeye in the Middlesex final. Runners-up spot in the League was also secured and with it the opportunity to enter senior football, as members of the Combined Counties League, senior status having been granted in May 1990. It was at this point that the club changed its name to Ashford Town (Middlesex) FC, to avoid confusion with the Kent club of the same name.

During its ten year membership of the Combined Counties League, the Club never finished below sixth place, and after finishing 3rd and 2nd in seasons 1992-93 and 93-94, it went on to win the League Championship for four successive seasons. It was a relative disappointment to only come 4th in 1998-99, even though the Club won the League Cup but a 5th championship in just six seasons was secured in 99-00, along with the Middlesex Charity Cup, the first ever senior county cup honour. With the ground up to the required standard, Ashford took their place in the Isthmian League for season 2000-01 and by finishing in third place, secured promotion to Division Two at the first attempt.

The first season in Division Two did not the Club making sufficient progress and after a series of indifferent results, long serving manager Dave Kent left the Club on 28 March 2002. His replacement was Nathan Wharf, a long-serving former player, who stepped up from Reserve Team management.

Further major improvements were made to the ground to enable the Club to be granted a B-grade and to take its place in the newly regionalised Division One of the Isthmian League. A poor start saw the Club in the bottom echelons of the table but a number of new signings saw a significant improvement and a 17th place finish, which was an excellent performance after winning just one of the opening 16 league matches. Further progress was made in 2003-04 as the Club finished 12th in Division 1 South. In the close season prior to 2004-05, the pitch was completely relaid to include both irrigation and drainage systems, at a cost of around £50,000, mostly financed by the Football Stadia Improvement Fund.

The Club embarked upon new adventures in season 2004-05 in the Southern League for the first time, having been transferred over as a result of a restructure of the National League System. The Fourth Qualifying Round of the FA Cup was reached for the first time and Mark Butler, renowned goal scorer in his day with Aldershot Town, Staines Town and others was promoted from Assistant Manager to Manager following the resignation of Nathan Wharf in December 2004. The play-offs were reached but resulted in a narrow defeat at Evesham United after extra time.

In 2005-06, Ashford went one better, finishing second in Division One West of the Southern League, to secure promotion to Step 3. This brought about a return to the Isthmian League for season 2006-07 and saw Ashford competing at their highest ever level. The season brought consolidation of the new status with the added bonus of reaching and winning the Westview (League) Cup Final when Ashford triumphed 4-1 over Dover Athletic at Bromley. The Reserves also lifted a trophy, securing the Middlesex Premier Cup.

Ashford built on this success, rallying from the foot of the table in November 2007 to narrowly miss a place in the promotion play-offs at the end of the 2007-08 season, a campaign which saw all of the club's senior sides challenge for honours. The senior side reached the Final of the Southern Combination Cup, the Reserves reached the Finals of both the Middlesex Premier and Surrey Premier Cups, while the Under-18 squad, led by club stalwart Mick Snowden were champions of the Southern Youth League.

The 2008-09 season saw Ashford begin the campaign in electrifying form, winning their opening six matches to top the table. Mark Butler's side followed this up with a fantastic FA Cup run which saw them come agonisingly close to eliminating Forest Green Rovers in the Fourth Qualifying Round at Short Lane. Rovers won the replay and went on to run Derby County close in the Third Round. Ashford endured a difficult winter, which saw them flirt with relegation, before a late resurgence saw the side safely into mid-table. The cup competitions added much adventure to the season, as Ashford followed up their exploits in the FA Cup with runs to the semi-finals of both the Middlesex Senior and Isthmian League Cups and end their campaign by defeating Conference Premier outfit Woking 3-2 at Metropolitan Police to win the Surrey Senior Cup.

The 2009-10 season saw Ashford make a reasonable start to the campaign, but the Ash Trees were shocked when manager Mark Butler tendered his resignation on Friday 23rd October, in order to take up the Manager's role at Margate, who were struggling at the foot of the table. Ashford appointed former Leicester City and Bradford City midfielder Jamie Lawrence as his replacement, and the Jamaican international immediately led his new charges on a twelve-match unbeaten run. However, issues off the pitch were causing problems for the club and a number of players, including leading goalscorer Byron Harrison left for Carshalton Athletic, where Mark Butler had accepted a coaching role after leaving Margate, where he had been in charge for just three months. Ashford found scoring a problem after Harrison left and a dreadful run of form saw them go from the fringe of the play-off zone to battling relegation. Ashford went into their final match knowing a win would almost guarantee survival, while a draw would see them finish fourth from bottom – technically a relegation place, but certain to receive a reprieve owing to the demise of various other clubs. Sadly, a heavy defeat for Ashford, coupled with wins for Carshalton and Margate saw the latter two clubs survive – Margate receiving the reprieve for finishing fourth from bottom.

During the summer of 2010, the club were initially placed in the Central Division of the Southern League but were then offered the chance to remain at Step Three of the non-league pyramid. However, as this offer was as a direct replacement for defunct Southern League side Merthyr Tydfil, the decision was made that the vast increase in travelling would be too great a burden for the club and the club elected to remain in the Central Division. During this time, Bob Parker stepped down from his role as Chairman after twenty-eight years in the role. The club's home ground was renamed the Robert Parker Stadium in honour of Bob, who remains at the club as President.

The club entered a new era in the Central Division of the Southern League with Jamie Lawrence at the helm and with a mixture of established local players and new faces but the season was a challenging one. The club played some sparkling football at times and enjoyed an exciting run in the FA Trophy, reaching the Last 32 in the competition before losing at home to Dartford. However, League form was patchy and the club finished 16th. One bright spark was the club winning the Southern Combination Cup, defeating Hanworth Villa 1-0 in the Final.

Jamie Lawrence resigned as Manager in June 2011 and the club immediately appointed his assistant, Paul Burgess, to take the helm after more than 21 years at the club, including 683 First Team appearances. Despite having little time to do it and few resources at his disposal, "Burgo" assembled a young and exciting team. Although any hopes of a tilt at the promotion play-offs were dashed by a dreadful run where the club failed to win at home for four months, Ashford finished the season strongly, winning two Cup Finals in 48 hours. In the Middlesex Charity Cup Final, the Ash Trees were 3-0 down to Northwood after 48 minutes before substitute Kofi Lockhart-Adams scored four times to put his team ahead. The game finished 4-4, with Ashford winning the penalty shoot-out 4-2.

Two days later, Ashford defeated Badshot Lea 3-1 to add the Aldershot Senior Cup to the cabinet, aided by a

fine performance from Paul McCarthy, who had saved two penalties in the first Final. A memorable season was capped by the club being named winners of the Southern League Fair Play Award.

The 2012-13 campaign saw Ashford reach the Final of the Middlesex Senior Cup against near-neighbours Staines Town. However, Ashford were unable to claim the trophy, eventually falling to a 2-0 defeat. At the end of that season, assistant manager Steve Battams left the club for work reasons. Youth Team Manager Ben Murray, who had been coaching at Ashford since his teens and won an FA Community Award, was promoted into the senior management team.

An awful start to the 2013-14 season saw the Ash Trees cut adrift at the foot of the Southern League Central Division and Paul Burgess was relieved of his duties after an 8-1 defeat at Dunstable Town. Ben Murray was appointed Manager and although results did not improve initially, performances and discipline did. A rally during the final months of the campaign offered hope of a remarkable 'great escape', although relegation was confirmed at North Greenford United.

As a result, Ashford returned to the Combined Counties League. The Ash Trees were able to renew a number of old friendships and friendly rivalries and the greater number of local matches rekindled some enthusiasm that had been lost towards the end of Ashford's time in the Southern League. The Ash Trees first campaign back in the competition saw Ashford finish third, while their second saw Town claim promotion.

The club's return to Step 4 was earned after Ashford finished second in the League, thanks to a remarkable end-of-season run which saw the Ash Trees finish the season with 96 points. This was 10 points behind the Champions, Hartley Wintney, but as 'The Row' did not then have the requisite facilities to play at Step 4, it could not go up. They helped Ashford to do so by defeating Camberley Town in their final match to ensure that Ashford claimed the runners-up spot.

Ashford's reward was a third brief spell in the Southern League. A good start to the 2016-17 season allayed any fears that a return to the Central Division would see a repeat of the club's previous struggles, while a genuine highlight of the campaign was a third triumph in the Middlesex Charity Cup. The Final saw Ashford defeat Wealdstone of the National League to claim the magnificent trophy.

For 2017-18, what had been the Central Division of the Southern League became the East Division. Awful weather made for a difficult season for all clubs and contributed to Ashford's campaign petering out into a mid-table finish. A new reorganisation of the National League System sees the club move back into the Isthmian League as members of the South Central Division for 2018-19.

The 2018-19 season was another mid table finish with us also through to the Final of the Middlesex Charity Cup although just losing out to Uxbridge. Ben Murray then decided to stand down after his 6 year tenure as first team manager. The board and team were grateful for the results and hard work he had put in over the years. Up Stepped Russell Canderton to take the reins (having played nearly 700 games for the club).

The 2019-2020 season is the season that never was. We got part way through the season to then be instructed to go into lockdown due to the Corona Virus Pandemic and the FA decided to expunge the whole season. 2020-21 The FA decided to curtail this season as well (however still deciding to do the Full restructure of the FA pyramid).

2021-22 saw us stay in the Isthmian League (South Central Division) with one of the shortest distances to travel throughout the season that we have seen for some years. Going through 3 managers this season it was particularly difficult but we managed to Finish mid table after a slow start.

For 2022-23 our previous goal keeper Paul McCarthy took the helm after seeing us safely through the latter part of the previous season. During the offseason many changes were made around the club, notably in bringing back former manager Luke Tufts for the 2023-24 season. Finishing outside of the relegation places Luke and the club are looking to push on for the new season ahead.
