  PARTNERS WITH
ISTHMIAN FOOTBALL LEAGUE

Welcome to Uxbridge FC

Good afternoon, today we welcome the players, officials and supporters of Horndean FC for this Isthmian League South Central Division match. We also welcome our officials, Referee James Hall & Assistants Tom Lathey & Harry Cowell. We trust that you will enjoy your stay, and we wish you all a safe journey home afterwards.

Horndean come to us today sitting in 12th place, with 25 points from their 17 matches so far this season, and with only 1 defeat in their last six matches we will be in for a stern test today for sure.

For ourselves 2 weeks ago saw us fall to a very disappointing 4-0 defeat here to fellow play-off contenders Hartley Wintney, a game we will all like to move on from quickly. Sadly, our scheduled match last Saturday away at Moneyfields fell foul of Storm Darragh, now rescheduled for Tues 14 January, and so we have a week off to recover and hopefully get back to winning ways this afternoon.

Next up for us we start the busy festive period with 2 away matches, first up next Saturday the 21st we travel to Rayners Lane and then we face Southall at Burnham on Boxing Day – with a 1pm Kick Off – we then return here to Honeycroft for a game with title chasing Kingstonian on Saturday 28th December, before we the face Harrow Borough here on New Years Day.

Wishing all supporters a very Merry Christmas and we looks forward to seeing you here on December 28th

Enjoy the match

Match Report

Saturday 30th November Uxbridge v Hartley Wintney

Reds Suffer Hart Attack

They do say what doesn't kill you makes you stronger, well let's hope that this painful defeat to fellow play-off contenders Hartley Wintney spurs Uxbridge onto better things as the season progresses.

This was an uncharacteristically poor performance from the home side, who had been impressive in recent weeks, but they never really got going and were culpable of some very average defending to give "The Row" a third straight victory.

Hartley Wintney were on the front foot from the off, when a corner landed at the far post and the striker should have done better, but fired over just 2 minutes in. Five minutes later a quick break, after what looked like a foul on Toby Nnadozie saw Tyler Hayles round George Legg, but the resultant shot was cleared off the line and then eventually scrambled clear. As Uxbridge laboured, the visitors again broke clear, but Legg again came out quickly to smother the ball. It was no real surprise when the goal eventually came on the half hour mark, as a ball into the box was headed clear by Jack Mullan, but it landed at the feet of Hayles, who lashed the ball home. The Reds' best chance came a couple of minutes later, as George Moore harassed the defence and stole the ball, but his chipped shot from a narrow angle was gathered comfortably by Gary Ross in the Hartley Wintney goal, to preserve the lead at the break.

HT 0-1

Ada Okorogheye came on at half time to try and inject some threat up front, unfortunately it was at the other end where the issues arose. First on 51 minutes Seb Karczewski was left unmarked from a corner to double the lead with a header at the near post. Uxbridge now did try and claw their way back, Toby Nnadozie went close with a shot just fizzing past the post on 58 minutes. However just past the hour mark the game was put to bed, as another corner found an unmarked Karczewski to head home unopposed for his second and the visitors' third. The hat trick of corners causing havoc was completed on 70 minutes as Ross Stepney ghosted in at the back post to increase the lead to four. Uxbridge did then threaten to get a consolation, Okorogheye doing well to twist and turn in the box, and beat 3 defenders, but his low shot was well saved by Ross.

An afternoon to forget for sure for Uxbridge, and one we hope they can learn from and move on.

THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

By Matt Badcock

HERE at The Non-League Paper, we're more used to muddy Non-League car parks than the shiny floors of swanky London hotels.

But, earlier this month, we dusted off our ill-fitting suits for the annual Football Supporters Association awards in Portman Square. Every year The FSA put on a top event to celebrate everything positive about football in this country – with the fans at the heart of the evening.

It was with a lot of pride – and surprise – that this year The NLP was bestowed with the Non-League Award. Pride because we love working for the paper and covering Non-League football in all four corners of the country. Surprise because of the calibre of nominees in the same category and what they do for the Non-League game.

We've had the pleasure of reporting on George Dowell and the remarkable rise of Worthing under his ownership. Likewise, the impact Torquay United Supporters' Trust have had in the survival of their football club, while Dunstable Town's incredible community work has made waves, including winning one of our own National Game Awards. All three would have been – – and are – hugely deserving. For our part, picking up the award was done so on behalf of hundreds of people, without whom the paper wouldn't hit deadline.

Saturdays are something of an operation. With news and features all signed off, we await the final whistles at all levels and brace for the bombardment of copy and pictures to drop into our inboxes. Reporters send across their allocated word counts, snappers fire in their best shots of the afternoon, our results guys hurriedly crash in the results and tables, while the sub-editors make the words fit the boxes and add the headlines. Then it's a race against the clock.

Somehow, we eventually get there, breathe a sigh of relief and get ready to do it all again the following week. So it's a big thank you from us for all the people who contribute, no matter how big or small, to the paper every week.

It's a huge thank you to our loyal readers who have picked up their copy in the shop – or now online – each week for so many years.

And it's a doff of the cap to all the people in Non-League football who give us so many amazing stories to write about each season. The players, managers and chairs who pick up the phone or put the kettle on to allow us to do so. From FA Cup glory runs to amazing community work, we're never short of brilliant articles to write.

To have those efforts recognised is a real honour. We can't wait for another year of wonderful tales – and muddy car parks.

Uxbridge FC Club History

In the late 19th century, the game of "football" was growing in popularity and on the 3rd of February 1871 a group of eminent local businessmen held the inaugural meeting of Uxbridge Football Club. A local solicitor, Mr. William Gardiner, was elected as the Club's President and the club's colours were chosen as white shirts with a light blue Maltese cross and a light blue velvet cap with silver tassel.

Friendly games against local opposition were played in the early years, until the FA Cup was entered in 1873. A First Round Victory over Gitanos set up a Second-Round tie against eventual finalists Royal Engineers, which the Engineers narrowly won 2-1. It was at this time that Uxbridge could boast amongst its ranks a Full England International. Hubert Heron played for England on two occasions whilst an Uxbridge player before he moved to Wanderers FC where he gained further international honours. His brother Francis, formerly of Uxbridge, also played for England after joining him at Wanderers FC. The club changed its colours to Oxford Blue and Cambridge Blue shirts in 1874, but they were in financial difficulties and folded later that year.

The main problem for Uxbridge was the lack of a permanent home ground (a problem that was to plague them until the middle of the next century), the committee searched the town for a suitable base but were thwarted at every turn and they led a nomadic existence, moving ground every few years. The enthusiasm for a team in Uxbridge was still prevalent and the Club was reformed in 1879. In 1886 Uxbridge FC amalgamated with another local club, Uxbridge Crescents, and played under this name in season 1886/87, before reverting to plain old Uxbridge the following season. It was at this time that the Red Shirts, which are still worn today, were adopted and the nickname "The Reds" was born. Their first trophy was won in 1889 when they lifted the West Middlesex Cup, defeating Colnbrook 1-0 in the Final.

The end of the 19th century was a particularly successful period for The Reds as they won the West Middlesex Cup on three further occasions and also won the prestigious Middlesex Senior Cup twice. In 1894 they beat the 3rd Grenadier Guards 2-0 and repeated that success two years later with a 3-2 victory over local rivals Southall in a replay in front of over 5000 spectators. The outstanding achievement however was in reaching the final of the F.A. Amateur Cup in 1898. This was the club's first season in the competition, and they had to win eight ties before meeting Middlesborough in the final at Crystal Palace. Unfortunately, their Northeast rivals proved too strong for them on the day and ran out 2-0 winners.

During this successful period for the club, they became founder members of Division Two of the Southern League in 1894, finishing fourth in their first four seasons. However, in season 1898/99 they finished next to bottom and the dwindling crowds (averaging around 500) meant that financially the club was once again in trouble. A decision was therefore taken to withdraw from the Southern League and join the local Middlesex League to try and stabilise the club. However, a majority of the more talented players joined other clubs, and they struggled in their new surroundings, finishing bottom with only one point from their 14 games. At the end of the season the club had a deficit of £130 and with few players the club once again folded.

For two years much fund raising amongst the local community finally saw the club's debts paid and the reformed Uxbridge FC joined the West Middlesex League for the 1902/03 season. In 1904 the Great Western Suburban League was entered and here they stayed until the outbreak of the First World War. Their best finish during this period was as Runners-up to Brentford Reserves in 1910/11. They also won the Middlesex Charity Cup on two occasions in 1908 and 1913, as they looked to re-establish themselves as a force in the football world. Following the end of hostilities Uxbridge joined the Athenian League and added "Town" to their name. An unsuccessful first Athenian League campaign saw them relegated back to the Great Western Suburban League in 1920.

A successful four seasons saw them back in the Athenian League in 1924 where they remained until 1937. The Middlesex Charity Cup was won for the third time in 1935 as Finchley were beaten 4-3.

Two poor seasons saw them finish bottom of the Athenian League in 1936 and 1937 and the club failed to be re-elected. They joined the Spartan League for the 1937/38 season, dropping "Town" from their name at the end of the campaign stood proudly at the summit. Championship celebrations, however, were cut short when it was discovered that The Reds had played an ineligible player and were deduced six points, placing them in third position behind Champions Marlow.

Following the debacle of their one and only season in the Spartan League they resigned and joined the London League prior to the Second World War. During the war years they continued to play and joined the newly formed Great Western Combination League before re-joining the London League in 1945, finishing as Runners-up to Edgware Town.

Uxbridge were founder members of the Corinthian League in 1946 and remained in this league for the next seventeen years. Finally, in 1948, after over three quarters of a century of searching, a ground of their own was purchased. A piece of land in Cleveland Road, Cowley was bought for £5,800 by then President Mr. W.S. Try. The ground was named after a large house that stood on the land and "Honeycroft" was the new home of Uxbridge Football Club. During this period, they won their only Championship to-date when they were crowned Corinthian League Champions at the end of the 1959/60 season. They also won the Middlesex Senior Cup for the third time in 1951 when they defeated Hayes 2-1.

This was a successful period in the club's history as they finished in the top five of the Corinthian League on no less than eight occasions and crowds were averaging around the thousand mark. A re-organisation of non-League football saw the end of the Corinthian League in 1963, and the club found itself once again in Division One of the Athenian League. This was a lean time for The Reds, they were relegated to Division Two in 1967 and financial problems once again beset them. They gained national publicity in 1976 when England were looking for a side to play as part of their warmup for the forthcoming World Cup campaign. Uxbridge took on a full-strength England at Wembley, losing 8-0. The ground problems that had blighted Uxbridge throughout their history surfaced once again and the club had to find a new home. In 1978 they moved to their current headquarters in Horton Road, Yiewsley. A former works Sports & Social Club they have developed the site to the superb standard you see today.

Over the past 43 years they have added floodlights (opened by the visit of Arsenal in 1981), new stands, fencing and in more recent times a new clubhouse was opened and car park laid. On the playing front the club won the Middlesex Charity Cup for the fourth time in 1982, their first silverware for 31 years, and moved to the Isthmian League in the same year, winning promotion to Division One in 1985. The Final of the AC Delco Cup (League Cup) was reached in 1986, where they met Premier Division Champions Sutton United. The Reds failed to stop Sutton completing "The Double" though, losing 3-1 in the Final in front of over a thousand spectators at Imber Court, the home of Metropolitan Police FC, Uxbridge entered the London Challenge Cup for the first time in the 1992/93 season and hence followed a love affair between the Reds and the magnificent trophy. In the eight seasons they entered the competition they reached five finals, winning on three occasions in 1994, 1997 and 2000.

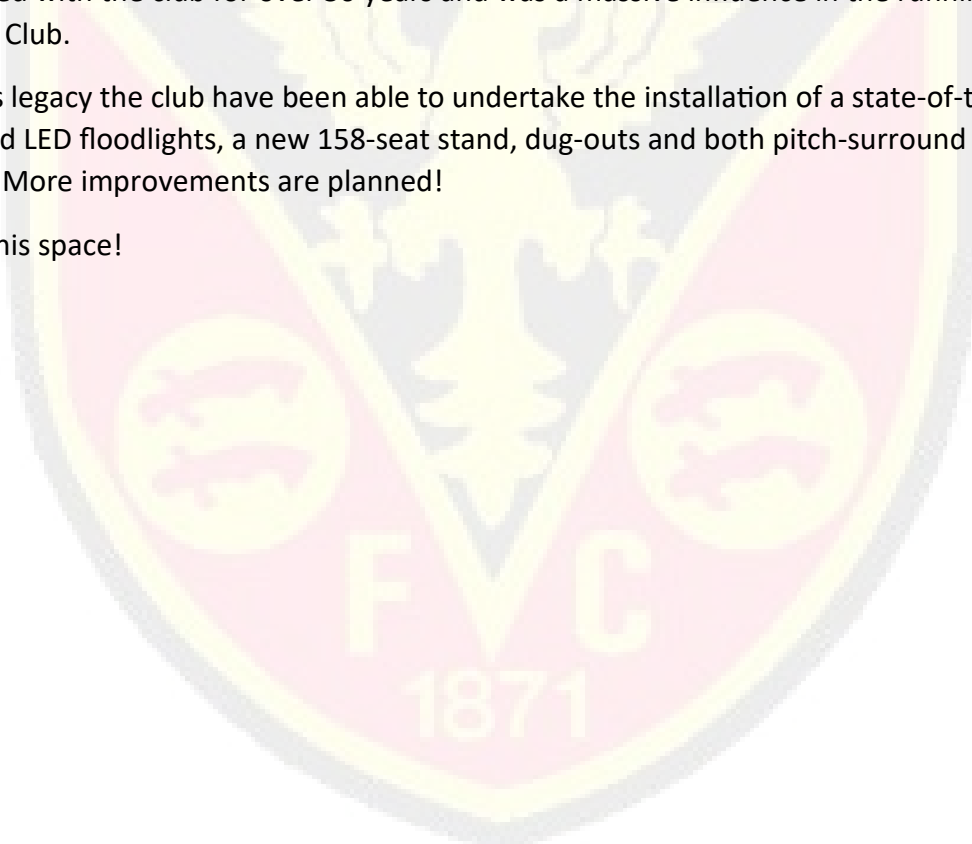

They won the Middlesex Senior Cup for the fourth time in 2001, defeating Harrow Borough 3-0 in the Final held at Honeycroft. In 2004 the club were moved across the pyramid to the Southern League and have reached the Play-Offs on three occasions. In 2004/05 they lost on penalties, after leading Maldon Town in extra-time, in 2007/08 they narrowly lost 0-1 at Oxford City and in 2011/12 they lost 2-1 at Bedworth United in the Semi-Finals. In 2018 Uxbridge were moved back across the pyramid, re-joining the Isthmian League in the South-Central Division.

In 2019 Uxbridge appointed only their sixth manager in over fifty years. Ron Clack was in charge for 18 years from 1970, followed by Peter Marshall for one season, Michael Harvey for three, before George Talbot took the reins for fourteen seasons in 1992. In 2006 Tony Choules became the man in charge, being replaced by our current manager Danny Edwards in 2019. Danny is a UEFA A licensed coach who spent 15 years as manager of Chalfont St Peter AFC. He steered Chalfont St Peter to Step 4 of the league system in 2011, as well as reaching the 3rd Qualifying Round of the Football Association Challenge Cup on three occasions. Danny has with him a confident team which includes Fred Cummings as his Assistant Manager. Fred is well known to the followers of the Red Army as a combative centre half with 320 First Team appearances for Uxbridge in the 1980's. The Middlesex Chaiyry Cup was won for the 8th time in 2022, with a 2-0 victory over Hanwell Town. This feat was repeated last season when North Greenford United were defeated 2-1 in the final at Bedfont Sports.

In recent times the club has mourned the passing of several club stalwarts. President Alan Odell, who had been associated with The Reds for eighty years, in 2016. Chairman Alan Holloway in 2021 and the club's long-standing Treasurer, David Tucker, passed away in 2022. "Mr. Uxbridge" had been associated with the club for over 50 years and was a massive influence in the running of Uxbridge Football Club.

From his legacy the club have been able to undertake the installation of a state-of-the-art 3G pitch, upgraded LED floodlights, a new 158-seat stand, dug-outs and both pitch-surround and perimeter fencing. More improvements are planned!

Horndean Football Club History

The club was established in 1887 and played their first match on 27 October against Red Star from Havant. They initially played at Blendworth Hill before moving to their current ground.

The club only played friendly matches until World War One, after which they joined the Waterlooville & District League. They won the league title in 1926–27, 1929–30, 1930–31 and 1931–32. They went on to join the Portsmouth League, winning Division Two in 1953–54. They were later promoted to the Premier Division, which they won in 1968–69, 1969–70 and 1970–71.

In 1972 they moved up to Division Four of the Hampshire League. By the mid-1980s they had reached Division One and became founder members of the Wessex Football League in 1986. The Deans struggled to make an impact on the league and in nine seasons never once managed to finish in the top half. After finishing bottom of the league in 1994–95, they were relegated back to the Hampshire League, where they remained until rejoining the Wessex League as founder members of the new Division Two in 2004.

In 2010–11 they were promoted to the Premier Division after finishing as runners-up in Division One. In October 2015 long serving manager David Carter left the club and on Wednesday 21 October 2015 Portsmouth Academy Coach Craig Pearce and Simon Chamberlain were appointed as successors. Craig Pearce and Simon Chamberlain took the team to fifth place, Horndean's highest ever position in the Sydenham's Wessex premier league at the time.

The start of the 2016–2017 season Horndean FC saw the arrival of Michael Birmingham, Dutchy Holland, Jason Mann, and Matthew Driver. The season finished with Horndean FC in 6th place in the Sydenham's Wessex Premier division. The 2017-2018 Season saw the first team finish in 4th place, in 2018-2019 the team under Michael Birmingham finished second, its highest ever position in the Sydenham's Wessex Premier League. The following two seasons were curtailed due to the COVID pandemic, before Horndean recorded another strong season, ending the 2021/22 campaign in fourth place.

The 2022/23 saw the Deans make history with a League & Cup double. The club's first Wessex Premier title since joining as founding members in 1986 was secured on the final day of the season in a 1-0 win over Portland United. A club record attendance of 1,359 watched on when Zack Willett headed a late winner as Horndean were crowned Champions. Just two weeks later the Deans won more silverware in the form of the Portsmouth Senior Cup, after defeating Fareham Town on penalties in the final at Fratton Park. The double was complete!

Ground

Horndean play their home games at Five Heads Park, Five Heads Road, Horndean PO8 9NZ. The ground was fully enclosed in 1981. In 1986 a 50-seater stand was added and a new building housing changing rooms and hospitality facilities was constructed inside the ground, to meet Wessex League standards. Previously the changing rooms had been in the social club, on the other side of the car park. A new turnstile shed was installed along with a decking area for spectators ahead of the 2021/22 season.

The club's promotion to the Isthmian Football League for the first time ever meant significant upgrades were made to Five Heads Park. The ground would be rebranded as the Stanley Chase Stadium and improvements came with a new seated stand, relocated tea hut & committee rooms as well as new dugouts with an additional covered standing area constructed in between. The existing tea hut & boardroom would become the club's management office and physio/ media room.

Horndean's first season at Step 4 of non-league in 2023/24 ended with a 14th place finish in the Isthmian South East Division. The Deans recorded 43 points from 38 games. The season also had some Deans history created with a club record FA Cup run, reaching the Second Round Qualifying where they were defeated 3-0 by Poole Town. Following the end of the season, as part of an Isthmian League reshuffle Horndean were moved into the South Central section of the league.
